## UI/UX Designer

Our branch in Greece is looking for highly motivated UI/UX Designers. They will be working alongside Product Owners and Developers to produce high quality visual designs from which the development team will work on to deliver the final product. Our UI/UX Designers will be working on design reviews on the mobile apps and responsive websites so experience with responsive design, Photoshop, Illustrator and Sketch is key.

Applicants must also be tech savvy and preferably have knowledge of CSS and HTML and some previous experience with wire framing whilst working with Web Developers. Any video experience would be a plus.

Friendly, collaborative and social team environment.

### ESSENTIAL EXPERIENCE / REQUIREMENTS / ATTITUDE:

- Design Delivery
- Wireframing, User Research
- Extensive UX Design for Mobile and Web
- Mobile and Web UI
- Strong Visual Design
- Sketch, Photoshop, Illustrator
- Responsive Design
- Prototyping
- Very Strong attention to detail
- Mentoring new starters within team
- Eager to learn and to continuously improve the designs
- Fluency in Greek and English (spoken and written)

### DESIRABLE EXPERIENCE:

- CSS, HTML
- Prior similar position at an Ad or Digital Agency
- Video Experience a plus

### RESPONSIBILITIES:

- Wireframes, storyboards, user flows & site maps
- Work alongside the marketing and creative teams
- Balance creative requirements
- Participate in meetings throughout the project

# Aisle Ahead

106A W. SUMMIT HILL DRIVE - KNOXVILLE, TN 37902 - 865.524.8888

- Work with developers on a daily basis and throughout
- Ability to follow trends and contribute with meaningful suggestions

## **BENEFITS:**

The company offers an attractive remuneration package and a stable working environment for an extensive professional growth.
